**Sub:** KIIT University India Scholarships Program (KUISP) announces Full & Half Scholarships for pursuing higher education in India

Respected Madam/Sir ,

KIIT University in India is happy to announce "KIIT University India Scholarships Program (KUISP)" for academically inclined yet financially challenged international students for pursuing higher professional education at KIIT University with full/half scholarships .

We would request that you consider sending one student from your country to KIIT University who may qualify for the full scholarship program and nominate two students who may be eligible for the half scholarship program (50% of the total course fee which includes accommodation and food). We would appreciate if you kindly access our website [www.kiit.ac.in](http://www.kiit.ac.in) and [www.kiss.ac.in](http://www.kiss.ac.in) to know more about our work.

KIIT University, Bhubaneswar is a promising multi-disciplinary University in India. The University has been accredited with 'A' Grade by the *National Assessment and Accreditation Council (NAAC)* and is associated with many national and international educational bodies including International Association of Universities (IAU), Association of Indian Universities (AIU), accredited under Washington accord of the All India Council for Technical Education (AICTE), Government of India. KIIT University provides education to over 25,000 students from different parts of India and to international students from Asia, Europe, Africa and the United States of America. We are enclosing a brief profile of the university with this correspondence.

Kalinga Institute of Social Sciences (KISS) Bhubaneswar, the human face of KIIT and a sister concern of the organisation, is the world's largest residential educational institute hosting more than 25,000 indigenous children from Odisha and other neighboring states. KISS has been instrumental in transforming the lives of 25,151 poor, underprivileged tribal children and has helped in their progress to become social assets. KISS has been accorded special consultative status by the United Nations. KISS, as an institution, is unique in the world and therefore attracts global attention. NGO Advisor ([www.ngoadvisor.net](http://www.ngoadvisor.net)), an independent organization based out of Geneva, has evaluated KISS to be listed among the world's top 500 NGOs. KISS was judged across 165 sub criteria and 3 main criteria of impact, governance and transparency.

Kind regards,

Dr. Achyuta Samanta  
Founder
